**A winner of a weekend for the
24th annual Beneva Quebec City Marathon presented by Montellier**
It's a wrap for the sold-out series of Je Cours Qc running events, a Gestev production

Quebec City, Monday, October 2, 2023 – It was a weekend to remember for the **thousands of runners and walkers** who came out to enjoy the glorious fall sunshine and the backdrop of Quebec City's most iconic sights at the **Beneva Quebec City Marathon presented by Montellier**. This 24th annual event wrapped up the 2023 Je Cours Qc season with another full house of participants, drawing more than **10,000 people** to cross the start line for the 42.2K Beneva marathon, the 21.1K Montellier half-marathon presented by WKND 91.9, the Sports Experts 10K, the Beneva Health 5K and the 2K Kids Race.

As the cheers of all the supporters set the tone at Place Jean-Béliveau, participants gave it their all for the final push across the finish line before celebrating their accomplishment. "The Beneva Quebec City Marathon presented by Montellier is a great running event, and it's also a great test of determination," said Marianne Pelchat, executive event producer for Gestev. "It's the culmination of weeks of training and preparation, and it's a personal victory for everyone. It's so heartwarming to see the pride on people's faces—not just the participants, but those cheering them on too, including our amazing team of smiling volunteers."

The organizing committee—made up of Quebec Running Events Corporation and event producer Gestev—and title partner Beneva were thrilled to see how smoothly the event ran. "This year's Beneva Quebec City Marathon presented by Montellier was another big success. As title partner of the event, Beneva would like to highlight the achievement of all the participants who turned out in greater numbers than ever to lace up their running shoes and pound the pavement around our beautiful city," said Martin Robert, Executive Vice-President and Leader, Talent, Culture and Communication for Beneva. "Promoting healthy life habits is part of our role as an insurer that cares. Thank you to everyone who helped make this event happen."

The mayor of Quebec City, who was one of the pace bunnies for the Montellier 21.1K half-marathon presented by WKND 91.9, was thrilled to see the thousands of runners in action. "Quebec City has its sights set on becoming Canada's most active city," said Bruno Marchand. "So many people of all ages rose to the challenge in the different race distances this weekend. That's a sign we're on the right track, and our individual and collective health can only benefit. Congratulations to everyone who pushed their limits this weekend!"
